We will be happy to assist you with:

- Swiss guarantees (protection of deliveries and services through guarantee issued by a Swiss bank)
- Sales finance: leasing, factoring or state-subsidized financings
- Questions relating to market conditions and legal provisions on the Swiss market

We will also support you:

- during market entry
- in the search for a business location
- in your search for a local bank
- in the provision of market information
- by putting you in touch with local authorities, chambers, associations and lawyers.

It would give us great pleasure to support you and your projects in Switzerland using our know-how and our contacts.
